A MESSAGE FROM OUR PRESIDENT

It is my pleasure to welcome you to another year of A&P showing

Joining me at the helm this year is our new Vice-President David Studholme with John Mehrtens holding the junior position.

Stock and Creative Industry exhibits along with the Equestrian competition are the backbone for any A&P Show and we are most fortunate that our Show will go ahead for 2021 despite the unprecedented times we all are facing.

I would like to thank our farming community for their time and dedication for making our Show the success it is and our volunteers for their generous involvement and help.

The committee extends a huge thank you to our valuable sponsors and members for their continued financial support which enables us to put together an exciting fun filled day. Without your help we would not be able to do it.

With the enclosed two free tickets we would like to invite you to this year's show on Saturday, 6th November.

Best regards and hope to see you there for a chat,

Hugh Wigley
