## **Change at helm of Southern Canterbury A&P Association**

At the 12th annual general meeting of the Southern Canterbury A&P Association, there was a major change of the guard as president Hugh Wigley retired after two years at the helm to make way for a new executive committee led by incoming president David Studholme.

The committee has a younger look and some exciting plans already, but there is continuity too, with J Andrews, M Studholme, M Coles & C Ruddenklau remaining as patron.

Hugh Wigley described his years as “very enjoyable” and very successful, with the crowning achievement being the establishment of a new 60-bay covered Horse Shed.

The A&P Shears Pavilion was well-used throughout the year. Also, our other showgrounds facilities used by Jumping / Dressage/ Pony Club/ Rodeo/ March Hare/ Poultry Club & Shears. All of this and more makes us proud to have such an outstanding facility in our district.

The committee extends again a huge thank you to our valuable sponsors and members for their continued financial support which enables us to upgrade our facilities & also put together these Shows. **Without your help we would not be able to do it.**

Finally, a significant recognition of work done was the award of Excellence given to Digger Mc McCulloch who retired from his A&P responsibilities. A role he has had close to 60 years. This has made him a valuable member of the A&P team – we are going to truly miss him.

Please find enclosed two free Show tickets to our show on Saturday, 4th November. Vice President John Mehrtens and our Junior president Henry Studholme will be joining me at this year’s show.

We hope seeing you there for a chat and a drink in our president’s Bar.

David Studholme  
President

Reto Oswald  
Secretary
